CamPocket Pixel

Sporty camera bag for digital equipment

The CamPocket Pixel serves to protect your digital equipment. In the large, cushioned main compartment your digital, APS or auto-focus camera (or mobile phone) is protected from all sides. The additional front pockets offers more room for further accessories like batteries, rechargeables, etc. The two integrated pockets can safely transport your memory cards! It's for you to decide how you would like to carry your CamPocket Pixel. The removable shoulder strap and the button-activated belt loop offers all options!
Our CamPocket Pixel is made of a robust and heavy-duty material in a sporty design available in the color combination black / orange.

Robust, heavy-duty material. large, cushioned main compartment for secure transportation of digital, APS or auto-focus cameras (or mobile phones). front pocket with room for batteries, rechargeables, etc. as well as two integrated pockets with room for memory cards. belt loop. shoulder strap.
